are being sent up to Govt for Sanction
& these
necessitate a great deal of
correspondence on the subject.

2. The main ground on which the G.O.
referred to has been issued is, that
Service paid from Local Funds is
foreign Service, and any transfer
to that Service shd be Sanctd by
Govt —

Art 407 M.S.R.

3. According to Art 17 of the M.S.R.
Service paid from a Local Fund
has to be considered as foreign
Service only when it does not
qualify, and when it does qualify
it is apparently not foreign Service —

4. Again according to Art 407 of
the M.S.R., the transfer of an
Officer from qualifying Service
to foreign Service shd be made
by Govt only on public grounds
and not merely in the private
interest of the Officer concerned —
And almost all the cases referred to
Govt for Sanction are in the
interests of the Offrs themselves
& no public interests will apparently
suffer if the Offrs are not

appointment delegated to Dy Comrs under Sec 20 of the Land Rev Code. are practically curbed—

1. Govt have recently observed that transfers of petty Schoolmasters paid from State Funds to service paid from Village School Funds & Vice Versa, are not of sufficient importance to require their sanction in each individual case, and delegated the power of transferring in such cases to the D.G of Edn, a copy of the Order passed by the D.G being sent to the Comptroller for information

2. Whether under the above circumstances the power of transferring Offrs paid from Local Funds to service paid from State Funds, etc may not be delegated to Dy Comrs, Presidents of Dt Boards & the Rev Comrs. As the case may be, is a matter for consideration

Bch IV may be consulted—

10. In the case of petty schoolmasters, the power transferring them from one class of institutions to another has been duly delegated to the D.G. of Education, who intimates such transfers to the Comptroller.

11. In the case of officers of Revenue and Land departments such a power cannot be delegated to the heads of the departments as both the departments are not under him.

12. But in the case of most of the petty officials there can be no difficulty in delegating the power of transfer to the Collectors who have control over all the departments. The important point in the case is that the transfers should be intimated to the Comptroller.

13. Of late instances of very petty cases have been reported for the sanction of Govt. involving temporary transfer of peons or minor officials. As these are purely official matters requiring the sanction of Govt., the burden of transferring such officials temporarily from one office to another may be delegated to Collectors.

Whenever the Administrative Branch are of opinion that there is absolute need for a delegation of powers, there would be no objection to the power being formally delegated under the same conditions as those in the case of the Respective Govts.

Papers under disposal in the linked file.

18. It is urged that frequent transfers of L.7 servants to other Depts under the Control of the Deputy Commrs & Vice Versa are inevitable in the interests of Service and involve much correspondence of a trivial nature and this latter allegation is borne out by the numerous Communi-cations received in this office

19. The Deputy Commr is the ex-officio President of the DTBd and of ~~the~~ the Taluk Boards in such Talugs as are under his direct Charge while the Asst Commrs are Presidents of other Taluq Boards

It therefore seems necessary that the powers as are referred to above of effecting such transfers should be delegated to the Dy Commrs under the same conditions as in the case of the D. I. of Education.

The question whether sanction of Govt is necessary for the transfer of officials paid from local funds & ~~municipal~~ appointments paid from State funds has been fully discussed in Edn File no 351-10; and it has been decided that such sanction is necessary. With a view however, to avoid delay & facilitate business, Govt however have delegated to the Director of Education (in their order of 30th Jan 13) the power of transferring officials from one class of service to another. A similar power may, I think, be delegated to the Rev Commr in respect of mutual transfers of officials ~~from dist & Taluk cadres for local funds (District and Taluk) and State funds~~ in the local fund (including Taluk) and Rev Department. This will avoid the necessity of every petty case being reported to Govt for sanction which is generally given in almost every case as a matter of routine. The amount of ~~unnecessary correspondence~~ work to be disposed in such petty cases coming up before Govt can be largely reduced by the
